

## Welcome Message

Dear Colleagues and friends,

This is our second meeting co-hosted by Chang Gung Memorial Hospital (CGMH) and MD Anderson Cancer Center (MDACC). It is our great pleasure to invite you to join us in this 2015 international symposium. Because of our successful event in 2013, we have expanded our conference agenda this year into a well-balanced and yet exciting programme. During the two days meetings, the latest urooncological controversy issues will be discussed and live robotic surgeries will be performed. In addition, to encourage the interaction of all participants, we urge you to submit an abstract and have your poster presented in this meeting. Lastly, please come and experience the unforgettable Taiwanese hospitality.

On behalf of the organizing committee,

Dr. See-Tong Pang

Chairman

Chang Gung Memorial Hospital, Linkou

## Calls for Abstracts

Both clinical and research topic are welcomed. Abstract submission should not exceed 250 words and send it to The Secretariat via Fax, mail or e-mail before the deadline.

Model of presentation: Poster. Deadline for submission: 31 October 2015.

## Registration Info
